## EXECUTIVE™ ESSENTIALS

Solid Shelf Veneer Bookcases convey an impressive sense of style. These elegantly designed bookcases in rich Walnut, Oak, Cherry or Mahogany finishes, add style to any environment. Hand finished edges and a fully finished veneer back panel create a custom appearance that will complete the look of your office. Solid  $\frac{3}{4}$ " hardwood shelves are adjustable in  $\frac{1}{4}$ " increments and measure  $11\frac{3}{4}$ " deep. Each shelf supports up to 150 lbs. All cases are 36"W x 12"D and are available in 6 heights. Bookcases assemble easily with quick-lock fasteners.

Our lumber-core shelves are held firmly in place using a unique clip design: The plastic casing is inserted into the shelf end and securely holds the metal clip, preventing any shelf movement.

Five-ply lumber-core shelves are constructed with solid pieces of wood, glued together and covered with genuine beechwood veneers. This produces an exceptionally strong shelf that resists deflection under heavy loads.

Square-Edge Veneer Bookcases offer a clean design that works with any office décor. Choose from Walnut, Oak, Cherry or Mahogany finishes, with one-piece matching veneer back panels, in a variety of widths and heights. Full ¾" shelves and sides provide strength and stability. Standard shelves support up to 100 lbs., while our 36" and 30" wide cases are available with optional steel reinforced shelves that support up to 150 lbs. The Baby Bookcases are offered in three widths and two heights, that can be combined to create a custom layout. The 36" wide models are available in six heights. All square-edge cases are 12" deep. The optional Trim Kit, available in Walnut, Cherry or Mahogany for all sizes, adds traditional style to your furniture. Bookcases assemble easily with quick-lock fasteners.
