Sleek Steel Frame Stacker at  
a Comfortable Price

*WorkSpace.*

# DITTO SERIES

An ideal choice for anyone that needs a moderately priced solution to accommodating additional attendees at meetings, luncheons and receptions. Simplistic and versatile, Ditto will help put any room in order. Contoured back and seat keep users comfortable longer. Ditto seating is available with and without arms. Shipped fully assembled in cartons of 2.

Seats and Backs are constructed of textured polypropylene with a non-slip surface.

Steel rod Chrome Plated frame in a sled base design provides stability.

Attached rubber feet protect floor surfaces.
